1. [] William Jordan in Senator Richard E. Russell's office called giving us some background on what he called the most unusual individual, one []. Under the circumstances STAT
Jordan thought [] should see a more senior individual as to whether or not there would be any place where [] talents could STAT
be utilized in the Agency. After discussion with [] I suggested STAT
to Jordan that [] call [] our Deputy Director of Personnel STAT
directly and they would make arrangements to meet. Jordan also advised that Senator Russell was returning to the country this evening and would be in Washington for several days.
